Northern Metro TIS Parents Event

*We would like to invite you, your Year 10 -12 students and their parents to the Northern Metro Tertiary Information Service (TIS) parents evening event for 2019.*
TIS is a co-operative venture between Federal Government subsidised Victorian universities, institutes of TAFE and other related agencies. TIS has been active in the provision of tertiary education information for over 25 years and maintains a comprehensive program of TIS days throughout metropolitan and regional Victoria.

The TIS seminar and expo sessions provide an opportunity for students to research their tertiary study options; discuss careers and course content with tertiary representatives and collect course information from all the major Victorian universities and local TAFE institutes.

Northern Metro TIS Parents Evening Event 2019 will be held on 20 May at 6pm at La Trobe University

The event will be held at Union Hall – Bundoora Campus

Car Park 3 is the closest and parking is free after 5pm.

The session will begin with a presentation followed by an expo session where your students and their parents will have the opportunity to discuss courses with a variety of tertiary institutions.

Scholarships at Bond University

Bond University offers an extensive scholarship program to both domestic and international students, with values ranging from 25% scholarships to 100%. It is important to note that applications for the 2019 Scholarship Program for Australian Year 12 students opened on 23 April 2019. Students applying for the Vice-Chancellor’s Scholarship must submit their application by 1 August 2010. The closing date for all other scholarships is 6 September 2019.

Scholarship applications should be submitted online; students should note that only one application needs to be made, and students can apply for as many scholarships they are eligible for.

Visit Bond University Scholarships for a comprehensive list of scholarships, including other sport scholarships, and/or to apply!

Also visit Bond Application Tips to read through useful tips on applying effectively. For further queries, email scholarships@bond.edu.au or phone 1800 074 074 toll-free (within Australia).
‘My Melbourne Future’ Series

Senior students should note that during the month of June, the University of Melbourne will be hosting a series of free ‘My Melbourne Future’ Information Sessions at the Parkville Campus in the early evening from 6.00pm – 8.30pm, aimed at informing prospective students about the courses on offer; hear from current students, academic staff and recent graduates about what it is like to study that degree or course at Melbourne, and the career and personal development opportunities available to graduates. These events will include a Careers of the Future presentation, a sample lecture, student experience insights with Q&A and a courses expo.

Registrations are open and students can register for one or more at My Melbourne Future Events

Studying in the UK and/or the USA

Students keen on learning more about studying overseas - the basics about applying and studying, scholarships, the structure of US and UK university degrees, and so much more, might like to participate in one or both of the following events:

Saturday 11 May 2019: Everything You Need to Know About US & UK Universities
Saturday 25 May 2019: The US & UK University Expo
Community Achiever Program (CAP)

As a Year 12 student, do you demonstrate leadership in your school or workplace, coordinate a community initiative, volunteer in a local cultural, sporting or religious group or provide care to someone in need? ACU’s Community Achiever Program is designed to acknowledge commitment to our local communities.

The Community Achiever Program (CAP) recognises a students’ potential to achieve great things. A successful CAP application means a student could receive a provisional university offer as early as August to study at ACU. Being part of this CAP group also offers successful students unique opportunities to enhance their leadership and volunteering skills, while they study at ACU. Should an application be successful, the required ATARs in Victoria would be as follows:
